Special Guests

The General and Commissioner Rosalie Peddle (WPWM)

The General and Commissioner Rosalie are officers of the Canada and Bermuda Territory, originating from the province of Newfoundland.

The General was a cadet of the Companions of Christ session (1975-1977) and Commissioner Rosalie the Overcomers Session (1974-1976). Having married in 1978, they have shared ministry in various appointments in corps, divisional headquarters and training college in their homeland of Canada.

Their first international service came in 2007 when the then Majors Peddle were appointed to the Northern Division in the New Zealand, Fiji and Tonga Territory. Promotion to Colonel and a change of country came in 2009 as the Peddles were appointed as Chief Secretary and Territorial Secretary for Women's Ministries in the

United Kingdom Territory with the Republic of Ireland.

July 2011 provided an opportunity to return to Canada, as Territorial Leaders. Commissioner Brian Peddle was appointed as Territorial Commander, and Commissioner Rosalie held simultaneous appointments as Territorial President of Women's Ministries and Territorial Secretary for Spiritual Life Development.

An opportunity to serve at International Headquarters came in September 2014, with Commissioner Brian Peddle appointed as International Secretary and Commissioner Rosalie appointed as Zonal Secretary for Women's Ministries for the Americas and Caribbean Zone. It was November 1, 2015, when Commissioner Brian Peddle was appointed as Chief of the Staff, with Commissioner Rosalie appointed as World Secretary for Women's Ministries.

Such international service has helped prepare them for the international leadership of The Salvation Army as General and World President of Women's Ministries, which they have undertaken since August 3, 2018.

Commissioner Rosalie received her BA in Biblical and Theological Studies in October 2007 from the William and Catherine Booth Bible College in Winnipeg. Both The General and Commissioner Rosalie are graduates of The Salvation Army's Executive Leaders Programme from Simon Fraser University in Canada.

Outside of their ministry, The General and Commissioner Rosalie have a variety of interests. The General enjoys kayaking, cycling, hiking and fishing, while Commissioner Rosalie enjoys reading, cycling and hiking. Personal conversations with family and friends remain a priority, even in the midst of busy lives.

The General and Commissioner Rosalie share a strong sense of calling as Salvation Army officers, fueled by their conviction that God continues to use The Salvation Army to impact our world. They are convinced of their responsibility to preach the gospel, encourage the saints and serve those in need. They fully embrace and celebrate the diversity of The Salvation Army, while sensing deeply the joy of leading an international Army that is unified through its calling to mission.

The General and Commissioner Rosalie have two daughters, Stephanie and Krista. Stephanie and her husband, Adam, are actively involved in the Sauble Christian Fellowship Community Church in Ontario. Krista and her husband, Tim, are Salvation Army officers, currently serving in Australia. Both The General and Commissioner Rosalie are delighted to have five grandchildren.
